## CDC Cubs News

### Getting to know the CDC Special Education Staff.....

**Marsha Haxby** - I have worked in Aurora Public Schools for many years, first as a speech/language pathologist and most recently as the Special Education Consultant for the Early Childhood Program. In the Fall I will be the Coordinator for Early Childhood and am excited to be part of our new Child Development Center at Jamaica. I am married and have 3 children.

**Cara Ackert** - I am originally from New Mexico. I have lived in Denver for the past 5 years. I met my husband in Vegas and have been married for almost 3 years. My husband and I will be traveling in Europe for most of June this year.

**Karen Duerk** - I am originally from MI, but I LOVE Colorado! I love to be outside and enjoy the sun. I have been here for 10 years so I think I'm close to being a native ☺ Fun fact - Bonnie and I went to graduate school together.

**Krista Roper** - I am a only child. I have two degrees one from CU and the other from CSU. I have had 6 knee surgeries. I love working with kids!!

**Linda Grimm** - I have worked for APS for 20 years, the majority in preschool. I have my degree in Physical Therapy and Certification through High Scope in Movement and Music. I have 3 grown children and my hobbies are piano, harpsichord and accordion.

**Lisa Vratny-Smith** - I have worked as a school social worker in APS for 14 years. I am a Colorado native and live in Aurora with her husband and 2 boys. I enjoy walking, gardening, yoga, reading, and spending time with my family.
