

INTERACTING WITH YOUR WHITEBOARD!

Are you a *new* Promethean user?

You can use Promethean's software and hardware to increase student achievement by increasing student interactivity with instructional content. Learn how to use activstudio & an activboard.

This is a professional development .5 credit class.

We'll be meeting January 8, 15, 22, & 29
at Fulton Elementary (C24)
from 3:30 - 5:25

RSVP by December 24th through email to Chris EarthTree.

cjearthtree@aps.k12.co.us Seating is limited.

Prerequisite: Your classroom has a Promethean ActivBoard (or will in 2008).
